President's Perspective

Darlene
 McKinney

Everyone is always asking about how things are progressing with my place in Julian, so I thought that I would give a little update. I have listed the lot for sale and thinking that I will leave it on the market for six months. If it hasn't sold by that time, I will then make up my mind to rebuild or to buy another home. I'm

in the process of getting everything cleared off right now. I know that we hear a lot about everyone having a lot of problems with their insurance companies being uncooperative. Mine has been on top of everything and handled every matter in a most professional and cooperative manner.

Well, enough about that. Elections will take place at our meeting on May 11th and installation of new officers on June 8th. If you noticed, we don't have anyone running in the Secretary or Treasurer positions. They are great positions and it's not too late to volunteer. Please e-mail or call David Aguirre or me if you are interested in the position. It looks to me like you'd be getting to work with a really great Board.

See you all on the 11th.
